Teen and Tween Coding Club Registration Form

Dear Parents/Guardians,

Due to the rapid increase of interest in the newly formed Teen and Tween Coding Club and the limited space available to us, registration for the Club is now a requirement. Our seating is limited to 12, so please fill out this form and return it to Logan Petty, YA Coordinator as soon as possible. Any forms turned in after the cut-off number will be placed on a waiting list, in case a member's seat becomes available. This club is open to 4th—12th graders only.

*Meetings will be held monthly. Any member who misses more than 3 meetings will be put on suspension and placed at the bottom of the waiting list to make room for one on the waiting list.
